Artwork Notes

Use the text box below to add any notes about the placement of artwork or text within the imprint area, size preferences or requests for specific colors or FMS values. Please be aware that major artwork requests may affect the production time of your items.

7

Select Add Artwork, then upload your badge ribbon design template.

The screenshot shows a web form titled "Add Artwork". At the top, there are two radio buttons: "Yes" (selected) and "No". Below this are two dropdown menus: "Position" set to "Small" and "Alignment" set to "Center". A notice states: "NOTICE: Most image file types are compatible with this tool, but vector artwork is required for final production. [What is vector?](#)". The "Artwork:" field contains a "Choose File" button, a file name "4x1.625\_Ri...e\_Blank.pdf", and an "Upload" button. A green success message reads: "Your file was uploaded successfully." Below this is a checkbox labeled "PC/NAMETAG already has my artwork or I will be providing it separately for this order. [View Artwork Specifications.](#)". There is an "Artwork Notes" section with a text area and a prompt: "Use the text box below to add any notes about the placement of artwork or text within the imprint area, size preferences or requests for specific colors or PMS values. Please be aware that major artwork requests may affect the production time of your items." At the bottom left, there is a "Qty" field with the value "100", and two buttons: "Add to Cart" and "Preview".

Lastly, enter your quantity and click Add to Cart.
