

The diagram illustrates the layout of a business card with various safety and alignment lines. A large outer rectangle is defined by a solid black line, representing the tag edge. Inside this, a dashed blue line indicates the safe area. A dashed red line, which is the outermost boundary, represents the bleed area. Two horizontal dashed gray lines are positioned within the safe area, one above and one below the central text. The text is centered between these two gray lines. The entire layout is set against a background with a red dashed border.

Blue line is safe area (3.4375" x 5.125")

Black line is tag edge (3.8125" x 5.5")

Red line is bleed area 4.0625" x 5.75")
