

The diagram illustrates the layout of a business card with three nested rectangular regions. The outermost region is defined by a red dashed line, representing the bleed area. Inside this is a black solid line representing the tag edge. The innermost region is defined by a blue dashed line, representing the safe area. The text is located within the safe area. At the top of the card, there are two rounded rectangular shapes representing punch holes. The entire card is set against a background with a red dashed border.

Blue line is safe area (3.875" x 5.25")

Black line is tag edge (4.25" x 6")

Red line is bleed area (4.5" x 6.25")
